Innsbruck, 4th of September 2014

CISA® Exam Training Course

CISA® Online Class will be conducted Monday till (including) Friday October 20th till October 24th 2014 all times 6 PM to 10 PM German Time.

Training Duration: 5 live webinar sessions of 4 hours each

Instructor Jutta Zilian

Training Delivery Method: On-site, instructor-led course; or online, instructor-led course

Prerequisites:

Experienced IT control or audit or security professionals. There is no prerequisite to take the exam; however, in order to apply for certification you must meet the necessary experience requirements as determined by ISACA. What Problem Does This Training Help Solve?

Provides training to help candidates prepare for ISACA's CISA exam

Who Should Attend?

IT professionals interested in earning CISA certification

Course Material:

Content-rich manual/course handouts consisting of about 650 foils and online learning system

Course Syllabus:

This training course is for individuals preparing to take the Certified Information Systems Auditor (CISA) Exam. In this course, professionals will learn the 5 job practice areas as determined by ISACA:

1. The Process of Auditing Information Systems (14%)
2. Governance & Management of IT (14%)
3. Information Systems Acquisition, Development, & Implementation (19%)
4. Information Systems Operations, Maintenance, & Support (23%)
5. Protection of Information Assets (30%)

There is no prerequisite to take the exam; however, in order to apply for the certification you must meet the necessary experience requirements as determined by ISACA.

Exam Support: Jutta will answer any written questions up until the evening before the day of the exam. Please note that although questions will be sent by individuals, answers will be emailed to all attendees registered for the webinar. Identity of the question sender will not be disclosed. Jutta will reserve the right to paraphrase the questions to enhance understanding. Questions can be sent in either in English or in German (*full language support for both*). Limited support for French speaking people can be given.

**CISA Certification: Certificate with the highest reputation and
[SC Magazine Names CISA Best Certification Program in 2010](#)**
